There are many buildings in town. There are shops, school and offices. There is a police station, a post office and a hospital. The police work at the police station. The post office is the place to post letters or buy stamps. We can also pay our bills there. We go to the hospital to see a doctor or visit a sick friend.

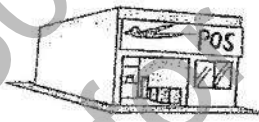

There is a bookshop, a library, a market and a few restaurants. We can buy books at the bookshop. We can also borrow books at the library. The market is where our mothers go to buy fish, meat and vegetables. The restaurant is where we have meals together with our family.
